The Hilt

Rosé of Pinot Noir:

Vivid pink thanks to 72 hours macerating on the skins. Almost glows in the bottle and glass. Seascape strawberry, watermelon rind and pink grapefruit. Lemon verbena and cranberry. Luscious and mouthwatering; energetic and structured. Will no doubt benefit from age, but such a joy to drink today. Serious rosé with substance and grit, but always delicate, balanced, juicy and tense. For the first time in my life, I want to keep writing tasting notes! A truly wild wine.
